

## Table of Contents

<b>Foreword</b> .....	7
<i>Christopher P. Wild</i>	
<b>Preface</b> .....	9
<i>Salvatore Vaccarella</i>	
<b>Contributors</b> .....	11
<b>Acknowledgements</b> .....	26
<b>Abbreviations</b> .....	27
<b>General considerations</b>	
<b>Chapter 1. Social inequalities and cancer: the imperative to act</b> .....	30
<i>Christopher P. Wild</i>	
<b>Chapter 2. Social inequalities, global public health, and cancer</b> .....	40
<i>Michael Marmot</i>	
<b>Part I. Evidence of social inequalities in cancer</b>	
<b>Introduction to Part I</b> .....	50
<i>Freddie Bray and Ahmedin Jemal</i>	
<b>Chapter 3. Why social inequalities matter in the cancer continuum</b> .....	52
<i>Diana Sarfati</i>	
<b>Focus 1. Changing social inequalities in cancer mortality: the value of linking census and health data</b> .....	67
<i>Andrea Teng, Tony Blakely, and Diana Sarfati</i>	
<b>Chapter 4. Measuring socioeconomic status and inequalities</b> .....	71
<i>David I. Conway, Alex D. McMahon, Denise Brown, and Alastair H. Leyland</i>	
<b>Focus 2. Incorporating indicators of socioeconomic status or ethnicity in cancer registries</b> .....	90
<i>Esther de Vries and Freddie Bray</i>	
<b>Chapter 5. Social inequalities in cancer between countries</b> .....	92
<i>Miranda M. Fidler, Salvatore Vaccarella, and Freddie Bray</i>	

<b>Focus 3. Cancer survival in countries in transition, with a focus on selected Asian countries</b> .....	109
<i>Rajaraman Swaminathan</i>	
<b>Focus 4. Social inequality in cancer: perspectives from Africa</b> .....	119
<i>Lynette Denny</i>	
<b>Chapter 6. Social inequalities in cancer within countries</b> .....	121
<i>Salvatore Vaccarella, Esther De Vries, Mónica S. Sierra, David I. Conway, and Johan P. Mackenbach</i>	
<b>Focus 5. Social inequalities and cancer in Indigenous populations</b> .....	147
<i>Gail Garvey and Joan Cunningham</i>	
<b>Focus 6. Inequality and cancer: the conflict ecosystem and refugees</b> .....	153
<i>Richard Sullivan, Omar Shamieh, Tezer Kutluk, Adel Daoud, and Adam P. Coutts</i>	
<b>Focus 7. Social inequalities in cancer burden between Black and White populations in the USA</b> .....	159
<i>Ahmedin Jemal and Rebecca Siegel</i>	
<b>Chapter 7. Social inequalities in cancer risk factors and health-care access</b> .....	165
<i>Lynette Denny, Ahmedin Jemal, Mary Schubauer-Berigan, Farhad Islami, Nadia Vilahur, Miranda Fidler, Diana Sarfati, Isabelle Soerjomataram, Catherine de Martel, and Salvatore Vaccarella</i>	
<b>Part II. Mechanisms and context underlying social inequalities in cancer</b>	
<b>Introduction to Part II</b> .....	187
<i>Nancy Krieger</i>	
<b>Chapter 8. Theoretical frameworks and cancer inequities</b> .....	189
<i>Nancy Krieger</i>	
<b>Chapter 9. Recent trends in income inequality</b> .....	205
<i>Joe Hasell, Salvatore Morelli, and Max Roser</i>	
<b>Chapter 10. The role of health systems in addressing inequalities in access to cancer control</b> .....	228
<i>Filip Meheus, Rifat Atun, and André Ilbawi</i>	
<b>Chapter 11. The economics and control of tobacco, alcohol, food products, and sugar-sweetened beverages</b> .....	250
<i>Evan Blecher and Melanie Bertram</i>	

<b>Example 1. Tobacco-related cancers and taxation of tobacco in low- and middle-income countries</b> .....	267
<i>Prabhat Jha, Hellen Gelband, Hyacinth Irving, and Sujata Mishra</i>	
<b>Chapter 12. The role of law in reducing global cancer inequalities</b> .....	276
<i>Jonathan Liberman</i>	
<b>Chapter 13. Life-course approach: from socioeconomic determinants to biological embodiment</b> .....	288
<i>Michelle Kelly-Irving and Paolo Vineis</i>	
<b>Part III. Tackling social inequalities in cancer</b>	
<b>Introduction to Part III</b> .....	302
<i>Lynette Denny and Christopher P. Wild</i>	
<b>Chapter 14. Assessing the impact of a public health intervention to reduce social inequalities in cancer</b> .....	304
<i>Gwenn Menvielle, Ivana Kulhánová, and Johan P. Mackenbach</i>	
<b>Chapter 15. Research priorities for social inequalities in cancer in sub-Saharan Africa</b> .....	319
<i>Valerie McCormack and Robert Newton</i>	
<b>Focus 8. Social inequalities in cancer in Asia</b> .....	333
<i>Rengaswamy Sankaranarayanan</i>	
<b>Chapter 16. Low-cost approaches to reducing social inequalities in cancer in low- and middle-income countries and disadvantaged populations</b> .....	335
<i>Rengaswamy Sankaranarayanan</i>	
<b>Example 2. HPV vaccination and screening for cervical cancer</b> .....	350
<i>Partha Basu</i>	
<b>Focus 9. Social inequalities in cancer in Latin America</b> .....	358
<i>Raúl Murillo</i>	
<b>Chapter 17. Sharing lessons learned from the AIDS response to address social inequalities in cancer</b> .....	364
<i>Michel Sidibé</i>	
<b>Chapter 18. Technology and cancer systems: creating better policy to enhance equality</b> .....	378
<i>Richard Sullivan and Ajay Aggarwal</i>	

**Chapter 19. The inverse care law: overutilization of health services and overdiagnosis**.....390  
*Salvatore Vaccarella and Louise Davies*

**Conclusions**

**Reducing Social Inequalities in Cancer: Setting Priorities for Research**.....398  
*Salvatore Vaccarella, Joannie Lortet-Tieulent, Rodolfo Saracci, Miranda M. Fidler, David I. Conway, Nadia Vilahur, Diana Sarfati, Ahmedin Jemal, Johan P. Mackenbach, Michael G. Marmot, Kurt Straif, and Christopher P. Wild*
