

TABLE OF CONTENTS

Introduction	1
Scientific Structure	3
IARC Medals of Honour	4
Section of Cancer Information	7
Section of IARC Monographs	17
Section of Mechanisms of Carcinogenesis	23
Epigenetics Group	25
Molecular Mechanisms and Biomarkers Group	33
Section of Molecular Pathology	39
Section of Infections	45
Infections and Cancer Biology Group	47
Infections and Cancer Epidemiology Group	51
Section of Environment and Radiation	57
Section of Nutrition and Metabolism	67
Biomarkers Group	69
Dietary Exposure Assessment Group	73
Nutritional Epidemiology Group	79
Section of Genetics	85
Biostatistics Group	87
Genetic Cancer Susceptibility Group	89
Genetic Epidemiology Group	93
Section of Early Detection and Prevention	99
Prevention and Implementation Group	101
Quality Assurance Group	105
Screening Group	111
Office of the Director	117
Section of Support to Research	119
Communications Group	121
Education and Training Group	125
The Gambia Hepatitis Intervention Study	131
Laboratory Services and Biobank Group	133
Committees	
Laboratory Steering Committee	137
Biobank Steering Committee	137
Ethics Committee	138
Occupational Health and Safety Committee	138
Governing and Scientific Councils	139
Staff Publications	146
